

PAN-PACIFIC BUSINESS ASSOCIATION NEWSLETTER #2, 2016

Dear Colleagues:

It is already the Thanksgiving time and the beauty of fall foliage is slowly disappearing. I would like to remind our members about several important pieces of information about the exciting 2017 Lima Conference.

CENTRUM, our partner institution in Peru, is working hard to make all the arrangements through the Conference Advisory Committee (under the leadership of Dr. Fernando D'Alessio, Director General of CENTRUM) and the Conference Organizing Committee (leadership provided by Drs. Charles Vincent and Ricardo Pino Jordan).

Peru is one of the favorite tourism spots in the world and May is still in the high season. Thus, all deadlines for our Lima Conference are earlier than usual. Please check the following deadlines:

Paper, panel, special session proposals: February 6, 2017

Conference registration: March 26, 2017

Hotel reservation at Hilton Lima Miraflores: April 5, 2017

*It is imperative to have the Hilton Hotel room reservations made as soon as possible as the number of rooms allocated to PPC is limited.

We are working on sightseeing and other activities, in support of our friend Dr. Polo Arias Bolzmann of CENTRUM, with several travel agents in Peru. As soon as the detailed information becomes available, we will post it on our website.

* Lima City Tour, May 29, 2017: A half-day and a whole day

* Business tour or golf tournament, May 29, 2017

* Machu Picchu Tour: May 25-28, 2017 or June 1-4, 2017

We are looking forward to this exciting Lima Conference, and of course the once-in-a-life opportunity to visit Machu Picchu to experience the old Incan citadel set high in the Andes Mountains. See you soon in Lima, Peru.
