

The Distinguished Keynote Speaker

The 35th Annual Pan-Pacific Conference, Seoul, Korea

**His Excellency, Speaker of the National Assembly
Republic of Korea
Dr. Sye-kyun Chung**

Dr. Sye-kyun Chung is a well-known political leader in the Republic of Korea. He graduated from Korea University (BA in Law), Pepperdine University in California (MBA), and Kyung Hee University (PhD in Business). While at Korea University, he served as President of the Student Union. He worked for Ssangyong Group from 1978 until 1995, as a Managing Director as his last position.

Dr. Chung began his political career in 1996 when he was first elected as a member of the National Assembly. He is a six-term leader of the National Assembly. During his public service, he served as Minister of Commerce, Industry and Energy; Chairman of the Uri Party; and Chairman of the Democratic Party. He was elected as the Speaker of the 20th National Assembly in 2016 for a two-year term. We do expect an enlightening speech from Speaker Chung about current challenges facing Korea and future opportunities to be explored with the support of innovative ideas and technological superiority.
